

# 6<sup>TH</sup> ANNUAL JOHA/AMITA HEALTH CANCER INSTITUTE ONCOLOGY/HEMATOLOGY SYMPOSIUM 2019

**October 5, 2019 – 8:00 a.m. – 1:00 p.m.**

Participants will learn the role of immunotherapy in the treatment of lung cancer and the newest updates in the AJCC staging of lung cancer in clinical practice. They will understand the steps needed to make a diagnosis of anemia. Participants will be educated on the benefits of the HPV vaccine and how it can decrease the risks of developing certain cancers. They will learn the latest updates in lymphoma. Lastly, participants will learn about the use of medical cannabis in cancer care.
